

Weekly Market Guide

Issue No. 220624, 24 June 2022

INTRODUCTION: SIDE MARKETING IS AN OFFENCE!

Side marketing has been an issue of concern to investors who fund agricultural production through contract farming. There is need to understand that side marketing is an offence according to SI 145 of 2019 and farmers who have signed contracts should abide by the conditions on the contract.

Therefore, farmers are advised to read and understand the terms of the contract before signing. If for whatever reason they are not in agreement, they should not sign.
