

## Introduction

### MARKET YOUR GRAIN WITH ZMX

- ZMX is there to provide viable markets for all.
- Produce being traded currently includes soyabeans, maize, traditional grains, sugar beans, groundnuts, to mention just a few.
- ZMX pays using USD transfer within 2 weeks.
- One can choose to just store grain at ZMX warehouse and market later when prices improve, for a reasonable storage fee of course.
- A farmer gets a warehouse receipt after delivering grain at ZMX and can use it as collateral for accessing loans.
